

Traineeship – Certificate III & Certificate IV Trainee Information

One World Children's Services Training offers Government funded, nationally recognised programs of high quality.

On successful completion of our training our graduates' receive a qualification which is recognised throughout Australia, and highly sought after by employers in the child care industry.

Children's Services Traineeship programs are from the Community Services Training Package CHC08.

What is a traineeship?

A traineeship is a Commonwealth initiative that is commenced with the signing of a training contract between an employer and an employee. The employer agrees to provide employment and training and the trainee agrees to be trained in the competencies outlined in the Community Services - Children's Services training package, that are required to achieve a nationally recognised qualification. Training is delivered entirely on the job.

Who is eligible to undertake a traineeship?

Employees who have been with the business for less than three months full time or twelve months part time can qualify for government funded traineeships. Traineeships are also available to existing employees on a fee for service basis.

- trainees must be at least fifteen years of age, however there is no maximum age limit.
- trainees can be employed either full time or part time, however, work hours must average at least thirteen hours per week.
- trainees must be an Australian citizen or a permanent resident.

Persons with physical or intellectual disabilities are encouraged to access funded training.
